The **menu of China Cafe** from Rogers includes **128** dishes. On average the *dishes or drinks on [the menu](#)* cost approximately \$14.0. You can view the categories on the menu below. New China Cafe presents a blend of experiences, from culinary highs to significant lows. Diners rave about the flavors, particularly praising the Lo Mein for its exceptional sauce and the authenticity of dishes that evoke memories of Sichuan cuisine. However, recent changes, including a shift in the kitchen staff, have led to disappointing meals, with some dishes lacking their previously vibrant flavor. Service quality appears inconsistent, as some customers faced rude interactions and order mix-ups. Despite these issues, the cafe remains a beloved spot for many, fostering a warm atmosphere that offers hope and connection.
