**The menu of Craft Table Worcester from Worcester** contains about **120** different courses and drinks. On average you pay about \$15.5 for a dish / drink. Located in the historic former Telegram and Gazette building, this new Worcester eatery offers a beautiful ambiance and a diverse menu. Diners have enjoyed delicious dishes like short ribs and decadent desserts, showcasing fresh ingredients and rich flavors. However, customer experiences have varied; some have faced lengthy wait times and inattentive service, which overshadowed the dining experience. Despite its potential, challenges with staffing and portion sizes have been noted. While the restaurant boasts a charming atmosphere and promising offerings, consistent service will be key to securing a loyal clientele. Overall, a visit is worth considering.
