Boro Place, McLean, United States

+15717300860 - <http://iamflowerchild.com>

The restaurant from McLean offers **121** different **menus and drinks on [the menu](#)** for an average price of \$14.8. Flower Child invites diners to explore an array of healthy, flavorful dishes, praised for creativity yet criticized for inconsistency. Signature offerings like the Mother Earth bowl and BBQ heirloom carrots shine, showcasing fresh ingredients and inventive flavor pairings. However, some traditional items, such as mac and cheese and certain proteins, fall short, leaving diners longing for more. While the welcoming staff and charming atmosphere enhance the experience, recent complaints about portion sizes and food quality suggest the restaurant may need to refine its offerings. Overall, Flower Child promises potential but calls for a discerning approach to the menu.
