The restaurant from Chelsea offers **123** different **menus and drinks on [the menu](#)** at an average price of \$13.8. Located in a quiet part of town, this restaurant presents a split personality. While some diners hail it as a hidden gem boasting authentic and delicious Mexican cuisine, others express disappointment with bland offerings and soggy dishes. The lively atmosphere and friendly staff receive praise, yet complaints about high prices and a lack of air conditioning linger. Signature items, like the aguachile and margaritas, receive enthusiastic acclaim, while certain entrees miss the mark for those seeking authenticity. Overall, it seems this establishment is worth a visit if you're in the area—but don't set your expectations too high.
