The *menu of Del Taco* from [Chandler](#) includes **124** dishes. On average the **dishes or drinks on the menu** cost approximately \$5.2. You can view the categories on the menu below. Del Taco's appeal lies in its flavorful offerings, with many patrons praising the tacos and burritos, especially the delicious Beyond Tacos. However, the dining experience can be frustratingly inconsistent, particularly during evening hours. Customers report excessively long wait times in the drive-thru, sometimes exceeding 20 minutes, coupled with poor customer service. Mistakes with orders are common, leading to disappointment. While some improvements have been noted, particularly in offering better quality items, a lack of attentiveness from staff remains an area for enhancement. Overall, Del Taco provides great food, but prepare for a wait and a potentially incorrect order.
