The menu of The Daily Catch Waterfront from [Boston](#) includes **127** dishes. On average the **dishes or drinks on the menu** cost approximately \$18.3. You can view the categories on the menu below. Newly opened in July, we are now serving your favorite Sicilian-style seafood and pasta paired with local draft beers, signature homemade cocktails, and an extensive wine list. Dine indoors with a view of the kitchen and easy access to the bar, or enjoy our two new North End Waterfront patios for an 'al fresco' experience overlooking the Boston Harbor. Choose from our storefront cafe with water views and a cool breeze, or opt for a more intimate setting in our brick cobblestone courtyard. Start your dining experience with fresh shucked oysters and a cold cocktail, then savor your favorite local Sicilian-style seafood dish paired with an imported bottle of Italian wine. Finish off your meal with a hand-piped cannoli and a cup of coffee. Mangia Calamari!
