The menu of Ruma's Deli from **Mehlville** comprises about **127** different menus and drinks. On average you pay about \$9.9 for a dish / drink. Ruma's Deli, a long-standing local favorite, has drawn mixed feedback from patrons. While some diners cherish nostalgic offerings like the Gerber and Prosperity sandwiches, citing warm memories and friendly service, others express dissatisfaction with recent experiences. Complaints highlight bland flavors, subpar food quality, and lack of cleanliness, particularly with dishes served lukewarm or microwaved. The atmosphere has been described as needing updates, and service inconsistencies have marred visits. Despite the divide, loyal customers advocate for supporting this family-owned deli, hoping for a return to its former culinary glory. Regulars continue to recommend certain standout menu items, especially for lunch.
