You can view the categories on the menu below. Nestled in a spacious lot with accessible parking, this Greek-owned diner has been a family favorite since 1988. Known for its quick service and reasonable prices, it offers a nostalgic atmosphere with chrome accents and booths equipped with music players. While some dishes, like the spinach feta omelette and seasoned home fries, received praise, others fell short—the burger was poorly cooked and lacked flavor, and the chicken quesadilla's presentation left something to be desired. Overall, the diner remains a reliable spot for hearty breakfasts but may need to refine certain menu items to meet varied expectations.
