The restaurant from Elkridge offers **136** different **dishes and drinks** on [the menu](https://menuweb.menu) at an average price of \$19.4. ****Gateway Pizza: A Mixed Culinary Experience**** Nestled in a quirky shopping center, Gateway Pizza serves up a diverse menu that elicits both praise and critique. Diners rave about the vegetarian Indian dishes, particularly the delightful veggie samosas, though some find the biryani overly spicy and challenging. While the restaurant's pizzas, especially the butter chicken variant, receive mixed reactions—some find them bland, others praise their greasy, foldable nature—the naan consistently delights. Service, however, may leave something to be desired, with reports of delays and mixed communication. Ultimately, while Gateway offers enjoyable options, those seeking exceptional flavors might explore other local eateries.
