The restaurant from Amherst offers **133** different **courses and drinks on the menu** for an average price of \$21.6. LaBelle Winery in Amherst offers a charming setting and a blend of delightful culinary experiences. While the wine tasting and some dishes, like the mussels, shine, many guests found themselves facing challenges. Cold temperatures and slow service disrupted meals, impacting enjoyment, especially during special occasions.

Some dishes, such as the duck, fell short of expectations for the price. However, attentive staff and accommodating management brightened several visits, making for memorable moments. Overall, LaBelle Winery is praised for its ambiance and quality but may need to address service inconsistencies and temperature control for an optimal experience.
