**The menu of Club Capri from Algonac** comprises about **132** different dishes and drinks. On average you pay about \$11.3 for a dish / drink. Nestled in a charming community, this restaurant offers a mixed dining experience amid varying feedback. While some patrons rave about the incredible steaks, salmon, and delicious pizzas, others express disappointment with service delays and inconsistencies in food quality. The atmosphere receives a generally favorable nod, enhancing the overall dining appeal. Notably, themed nights, weekly specials, and creative dishes like risotto balls and scallops delight many guests. However, concerns over undercooked meals and inattentive service highlight the need for improvement. Ultimately, while the restaurant boasts potential, diners are encouraged to temper expectations based on individual experiences.
