The restaurant from Albany offers **137** different **dishes and drinks** on [the menu](#) at an average price of \$15.3. Paesans Pizza has garnered a wide range of opinions from patrons, reflecting both remarkable highs and significant lows. While some diners rave about the friendly service, clean environment, and exceptional ingredients—highlighting favorites like the margarita pizza and diverse menu options—others lament unappetizing, greasy offerings and problematic service experiences. Reports of inconsistent quality, such as soggy dough and overly sweet red sauce, have also emerged alongside praises for the attentive owners. Ultimately, Paesans Pizza appears to be a venue of contrasts, where love for good food often battles against service and culinary missteps.
