**The menu** of Sonny Tony's **Pizza Italian** from **Mahwah** contains about **138** different dishes and drinks. On average you pay about \$17.7 for a dish / drink. In a recent exploration of a local Italian eatery, patrons encountered a mixed bag of experiences. While some highlighted the friendly staff and large portions, certain dishes, such as the penne arrabbiata and clam linguini, fell short in taste and quality. Burnt [pizza](#) left one regular patron disappointed, contrasting with prior satisfactory gluten-free orders. On a positive note, the restaurant's affordable pricing and accommodating nature garnered praise, particularly for its standout chicken Florentine and specialty pizzas. Despite some inconsistency, the atmosphere and willingness to cater to dietary needs have kept many families returning, making it a noteworthy spot in the community.
