The restaurant from [Lantana](#) offers **139** different **courses and drinks on the menu** for an average price of \$18.6. ****Restaurant Review: Art Basil's Ambivalent Experience**** Art Basil presents a vibrant atmosphere complemented by stunning decor and outdoor seating, creating an inviting setting for diners. While some guests praised the food—particularly the chicken parmigiana and white pizza—others faced underwhelming meals characterized by bland flavors and excessive salt. Service quality varied significantly; while some experienced attentive and friendly staff, others found their servers lacking in professionalism and efficiency. Despite the array of feedback, the lively ambiance and reasonable prices garnered overall enthusiasm, indicating that while the food may disappoint at times, the experience is still worth exploring for those seeking a lively dining out option.
