The restaurant from Centerville offers **139** different **menus and drinks on [the menu](#)** for an average price of \$9.3. Nestled in the heart of the community, this beloved bagel shop is known for its warm ambiance and friendly atmosphere. While patrons once praised the quality of its bagels and cream cheese, recent ownership changes have sparked mixed reviews. Some regulars lament the decline in food quality, with criticisms of overcooked bagels and inconsistent service. Despite a few hiccups, the café still offers delightful muffins and breakfast sandwiches that continue to attract loyal customers. With a local charm and cozy outdoor seating, many hope for a return to the old ways under the new management.
