The menu of Tipsy Moose Tap Tavern from **LATHAM** comprises about **146** different dishes and drinks. On average you pay about \$14.1 for a dish / drink. The Tipsy Moose offers a blend of delightful food and service in a cozy setting, though experiences can vary. While the mac and cheese flights and cheese curds receive high praise for their flavor and creativity, some menu items fall short, leaving diners unsatisfied. The atmosphere benefits from a charming outdoor patio, though external factors like unpleasant odors and buzzing bees can deter enjoyment. Service is highlighted in many visits, with attentive staff often compensating for minor hiccups. Despite a few drawbacks, The Tipsy Moose remains a solid choice for those seeking a casual dining experience with appealing dishes.
