A complete [menu](https://menuweb.menu) of Applebee's Grill And Boone from Boone featuring all 147 meals and drinks can be found here on the menu. ****Restaurant Review: A Mixed Bag of Experiences**** At this local hotspot, patrons have enjoyed highlights like friendly staff and drink specials, yet many have encountered significant drawbacks. While some raved about the Bourbon Street Steak's perfection and favorite dishes like the Oriental Chicken Salad, others were disappointed by the food's quality, from undercooked steaks to soggy salads. The service experience varied widely, with some guests praising exceptional servers while others encountered rudeness. Despite the inconsistencies, the atmosphere invites a communal spirit, urging diners to gather and enjoy the game with friends. Overall, the restaurant showcases potential, but improvements are needed to reach consistent excellence.
