The place from [Woodbury](#) offers **157** different **dishes and drinks on the menu** for an average price of \$16.6. Rustic Root has become a beloved spot for diners seeking flavorful meals and a lively atmosphere. While the service generally receives high marks for attentiveness and friendliness, reviews reveal a mixed bag regarding the food. Some dishes, like the cornbread and desserts, consistently shine, while others, such as certain burgers and fried items, have failed to impress. Although the ambiance is described as warm and inviting, issues like inconsistent cooking and greasiness have been noted. Overall, the restaurant offers a unique dining experience with an extensive menu and impressive drink selections that entice patrons to return.
