On average you pay about \$9.8 for a dish / drink. ****Discovering Bull and Bean: A Mixed Experience**** Bull and Bean in Durham, known for its charming ambiance and quality breakfast, has garnered a loyal following, yet recent visits reveal a decline in service quality and consistency. Patrons enjoy a range of flavorful dishes, such as the Famous Loaded Hashbrowns, alongside excellent coffee like the chai latte. However, issues like unfriendly staff interactions, cold coffee, and bland food have surfaced. While some diners relish the unique taste combinations, others are left disappointed, feeling that key flavors are missing. As the restaurant navigates these challenges, loyal customers hope for a return to its former glory.
