The menu of Pac Island Grill from **Federal Way** contains about **161** different dishes and drinks. On average you pay about \$13.2 for a dish / drink. Nestled amidst a sea of Tiki decorations, this restaurant offers a varied menu, including traditional Hawaiian dishes that evoke nostalgia. While some dishes, like the spam musubi and pork katsu, receive praise, others fall short, lacking authenticity and flavor. Diners note that service can be inconsistent, with staff demeanor affecting the overall experience. The ambiance, cluttered and outdated, could benefit from a refresh. Despite some food disappointments and minor service mishaps, many patrons appreciate the fun atmosphere and reasonable prices, indicating the potential for enjoyable visits—though repeat visits may vary depending on individual preferences.
