The menu of Wild Pear from Salem includes 161 dishes. On average the dishes or drinks on [the menu](#) cost approximately \$6.5. You can view the categories on the menu below. A popular downtown [Salem](#) restaurant, Wild Pear, offers a mix of reviews from customers. While some find the food quality to be high and delicious, others have had disappointing experiences with tough chicken and soft fries. The atmosphere is praised for being incredible, and the Pho is considered a standout dish. The service, however, has been inconsistent, with some saying it was friendly and timely, while others mention feeling rushed by a less welcoming server. The prices are noted to be on the higher side, but customers are willing to pay for the quality. Overall, Wild Pear seems to offer a mix of both positive and negative experiences, making it a somewhat polarizing dining option.
