The restaurant from Dandridge offers **161** different **dishes and drinks on [the menu](#)** at an average price of \$34.6. Ruby Tuesday offers a mixed dining experience that highlights both potential and pitfalls. While some patrons rave about the quality and variety of dishes like the salad bar and BBQ ribs, others lament disappointing food preparation and lackluster service. Common mentions include bland quesadillas and inconsistently cooked chicken sandwiches, with staff struggling under staffing challenges post-pandemic. However, attentive service and the restaurant's clean, inviting atmosphere provide a redeeming quality. Frequent diners appreciate the convenient locations, perks like discounts, and the chance to customize meals, suggesting that while there are areas for improvement, a solid dining experience is still within reach.
