+12539460636 - <http://www.saltys.com/redondo/>

On this webpage, you will find the **complete [menu](#) of Salty's at Redondo Beach** from Des Moines. Currently, there are **163** menus and drinks available. Salty's at Redondo Beach offers a mixed experience for diners, with some praising the good service and delicious food items, especially the fresh seafood options, while others found the food quality very average and highlighted issues with slow service and unorganized seating processes. Despite some inconsistencies, many customers appreciate the special touches and thoughtful gestures from the staff, making it a memorable experience for special occasions like birthday celebrations and wedding anniversaries. Overall, while there are some areas that could be improved, Salty's at Redondo Beach remains a popular choice for a nice dining experience by the beach.
