The restaurant from Richmond offers **163** different **dishes and drinks** on [the menu](#) at an average price of \$3.9. At this establishment, guests experience a blend of service and food quality, with standout moments and notable shortcomings. Many patrons commend the exceptional service, particularly the morning staff, who consistently uplift their visits with warmth and efficiency. The drive-thru receives high praise for accuracy and food freshness, echoing a Chick-fil-A-like experience. However, concerns over pricing and inconsistent order-taking dampen the overall impression, with some meals deemed overpriced, especially for takeout breakfast options. Despite these critiques, the breakfast sandwich remains a highlight, suggesting there are still redeeming qualities worth exploring at this location.
