The place from [Freehold](#) offers **168** different **courses and drinks on [the menu](#)** at an average price of \$6.6. Terrace Bagel stands out in town for its exceptional New York-style bagels, with fans raving about flavors like tofu cream cheese and memorable pastries. While the ambiance is inviting and the staff attentive, recent visits have highlighted inconsistencies with order accuracy, leaving some patrons disappointed. Despite these minor hiccups, the quality of the food shines through—whether it's the soft, flavorful bagels or the crispy home fries. Many agree that the pastrami on rye is a must-try, evoking nostalgic culinary joy. For a hearty breakfast or a quick bite, Terrace Bagel remains a beloved choice.
