The **menu of Uncorked Kitchen** from Englewood includes **170** menus. On average the *menus or drinks on [the menu](#)* cost approximately \$10.0. You can view the categories on the menu below. Overall, reviews for the restaurant were mixed. While some customers praised the beautiful location and decor, as well as specific dishes like the bacon dates and onion rings, others had negative experiences. Complaints included slow service, mediocre food quality, loud music, and dismissive staff. Despite some shortcomings, positive comments highlighted friendly staff, great views, tasty small plates, and enjoyable experiences like wine tastings and cooking classes. While some customers may not return due to service issues, others expressed a desire to revisit for the atmosphere, staff friendliness, and quality dishes.
