+17074645630 - <https://theapplepeddler.top/>

The restaurant from Crescent City offers **172** different **dishes and drinks** on [the menu](https://menuweb.menu) at an average price of \$11.5. Nestled next to the ocean, this restaurant offers a mixed culinary experience. While the inviting location and friendly service garnered praise, the food quality remains inconsistent. Diners appreciated the delicious non-meat options and hearty breakfast dishes, but some found the lunch items, like sliders and fried chicken, lackluster. Despite occasional staffing challenges, waitstaff excelled in service, ensuring a welcoming atmosphere. Highlights included crispy fish and chips and tasty desserts, which left patrons feeling satisfied. Overall, while the views impress, guests recommend coming for the ambiance and service rather than relying solely on the menu offerings.
