Harvest am Main presents an inviting dining experience with a cabin-like ambiance that draws many, though some guests have faced challenges. While some diners rave about the excellent service, fresh dishes, and flavorful offerings like the pulled pork and homemade ravioli, others express disappointment in slow service and inconsistent food quality. Issues such as reservations being honored but resulting in prolonged waits, alongside quality discrepancies in dishes, marred the experience for some. Nonetheless, the overall sentiment remains positive, highlighting the need for reservations to fully enjoy the flavor-filled menu. A place worth exploring with a bit of planning.
