The menu of 801 Chophouse from Omaha comprises about **178** different menus and drinks. On average you pay about \$47.9 for a dish / drink. The restaurant offers a mixed experience with some reviewers praising the steaks and lobsters while others finding the prices to be too high compared to other options. The atmosphere and service receive positive remarks, with one reviewer even mentioning it as the highlight of their annual birthday celebration. The food quality is generally praised, with standout items like the bone-in prime rib and lobster cracking and fried pieces. While some find the prices justified by the excellent food and service, others feel that the cost is not worth it. Overall, the restaurant is recommended for those looking to impress or indulge in a fine dining experience, although it may not be for those on a budget.
