**The menu of The June Cork Pub from Dover** comprises about **181** different dishes and drinks. On average you pay about \$8.8 for a dish / drink. The June Cork Pub offers a mixed experience that attracts both regulars and newcomers. While some patrons rave about the friendly staff and delicious offerings like fish sandwiches and scotch eggs, others have faced issues such as slow service, missing vegetarian options, and cleanliness concerns, including fruit flies. Despite these setbacks, many guests appreciate the cozy atmosphere for memorable occasions and recommend the pub for its vibrant ambiance, especially during events like EPL matches. While improvements are needed in service efficiency and menu inclusivity, the overall culinary experience leaves a positive impression worth a return visit.
