The restaurant from [Rutland](#) offers **182** different **courses and drinks on [the menu](#)** at an average price of \$20.4. The restaurant Roots has received mixed reviews from customers. Some complain about the noise level being too high indoors, but would consider returning once outdoor seating is available. Others praise the delicious guacamole and outdoor dining experience. The food is described as tasty and well-prepared, although not necessarily authentic or gourmet. Service is generally good, though there have been some complaints about solo diners not receiving chips and salsa. Overall, customers appreciate the attentive staff, generous portions, and inviting atmosphere. Roots seems to be a popular spot for a casual meal with friends, cocktails, and people watching.
