The **menu of Feng Shui Kitchen** from Waltham includes **182** dishes. On average the *dishes or drinks on [the menu](#)* cost approximately \$14.3. You can view the categories on the menu below. Feng Shui Kitchen has quickly carved out a niche as a popular choice for Chinese cuisine enthusiasts. While the restaurant excels in takeout—offering well-portioned and flavorful dishes like the Chicken and Broccoli and Sautéed Shrimp with Mixed Vegetables—it occasionally falters with mediocrity, as seen with bland gyoza and problematic Hot and Sour soup. Nonetheless, their impressive sushi selections, particularly the fresh sashimi platter, receive rave reviews. Diners appreciate prompt service and generous portions, making Feng Shui Kitchen a go-to spot for quality Chinese and sushi dishes, while reminding patrons to manage expectations for authenticity.
