The menu of Zinburger Edison from Edison contains about **187** different menus and drinks. On average you pay about \$7.5 for a dish / drink. Zinburger stands out with its extraordinary range of gourmet burgers and perfectly balanced cookies and cream milkshakes that keep diners coming back. While the burgers, including unique weekly specials, receive high praise for their quality and flavor, the accompanying fries often disappoint, being overcooked and lackluster. The restaurant offers an inviting ambiance and friendly service, elevating the dining experience, though some customers feel the prices are steep. Despite the mixed reviews on sides, Zinburger's creative menu and enjoyable atmosphere make it a recommended spot for burger lovers looking for something special.
