The restaurant from [Fairfield](#) offers **214** different **dishes and drinks on the menu** for an average price of \$10.6. While this family-owned gem was once a favorite for many, recent visits have revealed inconsistencies that leave diners divided. Some patrons applaud the reliable, well-prepared Chinese cuisine, particularly praising dishes like chicken with broccoli and hot and sour soup. However, feedback also highlights issues such as reduced portion sizes, increased prices, and lapses in service quality, notably with order accuracy. Customers appreciate the inviting atmosphere and the attentive staff, but there are growing concerns about food flavor and overall value. In summary, this restaurant continues to hold appeal, yet it faces challenges that could deter loyal patrons.
