Here you will find the [menu](#) of **Old Lisbon – Sunny Isles** in Sunny Isles. At the moment, there are **222** dishes and drinks on the menu. Old Lisbon is a nice neighborhood restaurant known for good seafood. While the food was tasty, the service was lacking during a visit with friends. The waiter had poor attention to detail, leading to delays and misunderstandings with orders. The added gratuity to the bill may explain the lack of attentive service. Despite the delicious food, the disappointing experience means that they will not be returning in the future. Overall, the restaurant offers consistent quality with updates to the menu, but better service is needed to match the good cuisine. This spot might be best enjoyed when looking for a relaxed family dining experience.
