The *menu of Johnny Costa's* from [Palm Springs](#) includes **223** menus. On average the **menus or drinks on the menu** cost approximately \$37.7. You can view the categories on the menu below. Johnny Costa's offers a mix of experiences, with some customers expressing disappointment in specific dishes, such as overly salty pasta and plain mushrooms, while acknowledging the overall quality of the ingredients used in the meals. Others rave about the excellent food, particularly highlighting standout dishes like the mozzarella and tomato salad and the shrimp and scallops over polenta. The restaurant's noise level was a common complaint, though many had positive things to say about the service and the wide variety on the menu. Ambiance and decor received mixed reviews, with some praising the modern decor and others finding the noise level overwhelming. Overall, Johnny Costa's seems to offer a range of experiences, from excellent food and service to potential noise issues, leaving some customers eager to return and others more hesitant.
