The **menu of Mexikosher NYC** from New York includes 88 dishes. On average the **dishes or drinks on the menu** cost approximately \$19.6. You can view the categories on the menu below. Nestled in the heart of the Upper West Side, Mexikosher presents an intriguing blend of cuisines, now incorporating Rosa's, Graze, and Carlos Gabby's. Diners have been delighted by the swift service and flavorful dishes, particularly praising the customizable tacos and family meal options, which offer great value for kosher dining. However, the restaurant faces serious concerns regarding racial discrimination, as some patrons reported biased treatment that marred their experience. While the food shines, the establishment must address these issues to ensure a welcoming environment for all guests. Overall, it's a venue worth visiting, but with caveats.
