**The menu** of Westville Hudson from New York comprises about **227** different dishes and drinks. On average you pay about \$8.9 for a dish / drink. Westville offers a diverse menu with a focus on vegetable-forward options, making it a great choice for vegetarians and those looking for lighter, healthier fare. The restaurant has received mixed reviews on its service quality, with some customers noting issues with the attentiveness of staff. Despite this, many diners appreciate the flavorful and creative dishes offered at reasonable prices, especially for a location in Soho. The casual atmosphere and no-frills vibe make it a comfortable spot for a relaxed meal with friends or family. However, some customers have experienced inconsistencies in food quality, such as cold or poorly prepared dishes. Overall, Westville seems to cater well to those seeking a variety of vegetable dishes in a laid-back setting, although there may be some room for improvement in certain areas.
