The menu of TGI Fridays from **Greenbelt** contains about **246** different courses and drinks. On average you pay about \$9.5 for a dish / drink. Despite some issues with reservations and slow service, TGI Fridays managed to redeem itself with attentive staff, delicious food, and excellent service. From accommodating bandages for a customer's cut to providing delicious meals like sirloin steak, salmon, and the Million Dollar Cobb Salad, the restaurant overall received positive reviews. While there were some instances of rude or unsanitary behavior from a server, the majority of the staff were friendly and helpful. Overall, the consensus seems to be that TGI Fridays is a solid choice for a meal out, with a few hiccups that can hopefully be improved upon in the future.
