A complete [menu](#) of Subway from [Butteville](#) featuring all 249 menus and drinks can be found here on the list.

At this Subway location, customers find themselves navigating a blend of positive and negative experiences. While many appreciate the generous vegetarian options and fresh ingredients at affordable prices, service issues frequently arise, including long wait times and mistakes in sandwich preparation. Some patrons report dedicated staff providing excellent service, highlighting standout employees, while others express frustration over inattentiveness and hygiene practices. Despite these inconsistencies, the location remains a popular choice for late-night meals, and the inviting atmosphere adds to its charm. Overall, this Subway is a solid option for quick, budget-friendly dining, but improvements in service are needed.
