The restaurant from Birmingham offers **248** different **menus and drinks on [the menu](#)** for an average price of \$63.1. The restaurant in review offers a variety of dishes, with some standout options like oysters and salad. However, some customers were not satisfied with the quality of certain dishes, such as the lobster tails being overpoweringly seasoned with oregano. The atmosphere is described as nice and cozy, with a well-designed selection of beers. Despite some mixed reviews on the food quality and value for the price, the restaurant remains popular with a loyal customer base. The staff is commended for their hard work and attentive service. Overall, the establishment is recommended for those looking for tasty snacks, great cocktails, and beer in the neighborhood.
