The **menu of Savori Italian Restaurant** from Utica includes **248** dishes. On average the *dishes or drinks on [the menu](#)* cost approximately \$11.0. You can view the categories on the menu below. A recent visit to this Italian restaurant left some customers underwhelmed. One diner found dishes like French onion soup outstanding, but was disappointed by dry elk and sticky, salty fettuccine alfredo. Another customer, with high standards for Italian cuisine, did not find the food authentic and had service issues, including slow water service and mushy pasta. A different patron was let down by the crab cakes, but enjoyed the bread and dipping sauce. On the other hand, some guests had a positive experience, praising the service and delicious food. The atmosphere was lovely, especially for outdoor dining along the river. While there were some hits and misses with the food and service, the overall consensus was mixed, with some customers recommending specific dishes while others felt the experience did not live up to expectations.
