The restaurant from Pawtucket offers **254** different **menus and drinks on [the menu](#)** at an average price of \$7.8. Pawtucket House of Pizza has been a beloved spot for many loyal customers over the years. The roast beef is outstanding and the pizza has plenty of toppings, although some feel it's good but not great. The cheeseburger grinder and onion rings are fan favorites. The old-fashioned pizza and grinders have delicious sauce and perfect cheese to topping ratio. The Italian grinder and fish and chips are highly recommended. The turkey and cheese subs, wings, calzones, and steak sandwich are all top-notch. The spinach pies are a must-try. The staff is friendly, and the service is quick and efficient. The prices are average, but the food is above average. The popularity of the restaurant can sometimes lead to longer wait times, but the overall experience is worth it. Many customers have been coming here for years and appreciate the home-town feel of the place. Overall, Pawtucket House of Pizza is a fantastic choice for delicious food and friendly service.
