The menu of Meritage from Saint Paul contains about **254** different dishes and drinks. On average you pay about \$24.0 for a dish / drink. Meritage offers an exquisite French dining experience marked by delightful dishes and charming ambiance. Guests rave about standout offerings, such as fresh oysters, duck liver smears, and beautifully presented meals. However, recurring issues with the reservation system and wait times have marred the overall experience. While the food typically receives high praise, reports of excessive saltiness and inattentive service during busy hours have been noted, alongside mixed interactions with management. Despite these frustrations, loyal patrons continue to return, drawn by the restaurant's culinary excellence and inviting atmosphere—though a little extra attention to service could elevate their dining experience further.
