**The menu of Edison Wok from Edison** contains about **256** different dishes and drinks. On average you pay about \$7.7 for a dish / drink. In a dive into local dining, a New Jersey restaurant garners mixed reviews. While some patrons rave about the exceptional pizza and friendly service, highlighting it as their go-to spot for comfort food, others express disappointment, especially with the Chinese-American offerings. Issues like incorrect orders, undercooked items, and lackluster flavors have led to calls for caution. Despite these challenges, a handful of loyal customers maintain that the food is consistently good and quick, making it an efficient stop. As the restaurant navigates a reputation shaped by both positive experiences and disappointing encounters, it remains a polarizing choice for diners.
