A comprehensive [menu](#) of The Keg Steakhouse + Bar - Peterborough from Peterborough featuring all 261 dishes and drinks can be found here on the menu. Overall, reviews for The Keg restaurant are mixed. While some diners enjoyed their experience, praising the steaks and service, others found the food and atmosphere lacking. The noise level was a common complaint, as well as the high prices. The birthday celebration experience was disappointing for one group, while others appreciated the complimentary dessert for special occasions. The children's menu received positive feedback, as did the service and wine selection. Despite some minor issues with lighting and bathrooms, patrons generally found The Keg to be a pleasant dining option for steak lovers.
