The menu of Chili's Grill from Plainview comprises about **121** different dishes and drinks. On average you pay about \$12.2 for a dish / drink. Chili's presents a mixed dining experience, with substantial room for improvement.

While many diners enjoy the flavorful dishes like Honey Chipotle chicken crispers and refreshing drinks, consistency remains an issue—orders can arrive overcooked, undercooked, or missing items altogether. Service can also be hit-or-miss, with some patrons experiencing long wait times or inattentive staff. Cleanliness standards are questionable, with reports of dirty environments. Despite these setbacks, some guests praise the reliable curbside service and friendly staff. Overall, while there are bright moments at Chili's, a commitment to consistency and cleanliness is essential for a satisfactory dining experience.
