The menu of Hopstix from Chamblee comprises about **272** different dishes and drinks. On average you pay about \$9.6 for a dish / drink. Hopstix is a brewpub located in downtown Chamblee, Georgia, that focuses on Asian-Fusion cuisine. Our menu features a variety of options cooked on a Robata Grill and a Raw Bar, paired with a selection of craft beers. The restaurant has a spacious dining area that can accommodate up to 85 people, as well as a private room with a full view glass garage door that brings the outdoors inside. The concept of Robata cooking originates from northern Japanese fishermen cooking around a communal hearth, creating a unique dining experience.
