**The menu of Jalisco Cafe from Bonita** comprises about **281** different menus and drinks. On average you pay about \$11.8 for a dish / drink. Jalisco, a vibrant eatery in Bonita, offers a diverse menu that appeals to many, from chilaquiles to burritos. While some patrons rave about its improvements and delicious dishes, others have expressed disappointment due to inconsistencies in food quality, notably with their menudo and burritos that fell flat. Concerns over cleanliness have also surfaced, with reports of hair in food causing frustration. Customer service experiences appear to vary, with some diners receiving warm attention, while others found the staff's responses lacking. Overall, Jalisco remains a popular spot, but it may be wise for diners to approach with caution.
