The menu of Vaqueros Carne Asada from Tempe contains about **282** different courses and drinks. On average you pay about \$7.9 for a dish / drink. Tucked away in Phoenix, this local Mexican restaurant garners mixed reviews. Many patrons rave about their generous portions, particularly the carne asada fries and fish tacos, which are noted for their crispy, flavorful appeal. However, some customers have reported disappointing experiences with service, citing rudeness from staff and long wait times for pickup orders. While the menu offers a range of options, including vegetarian dishes, some entrees, like the carne asada torta and chicken enchiladas, have been criticized for lacking flavor. Overall, when the service shines, the food shines brighter, making it a hit or miss for potential diners.
